

RoHS Statement

The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (RoHS Directive 2011/65/EU, also known as RoHS 2.0) was published in the Official Journal of the European Union on July 1, 2011, and entered into force on July 21, 2011.

In compliance with the requirements of RoHS 2.0, we have systematically collected materials information from our suppliers and enforced rigorous controls over our production processes. As a result, we confirm that all products supplied to you are in full conformity with Directive 2011/65/EU on the Restriction of Hazardous Substances (RoHS), as detailed in the tables below.
